Dear Mr. Toeppen:

Our investigation into the bus operations of the Overland Travel Club, i.e., The Suburban Express, has been completed.

Your current bus operations are, in our opinion, exempt from the Illinois Commerce Commission's regulations. You will not be required to seek any authority or certification from us to provide your current bus service.

However, your continued exemption will be conditioned upon your company's operations remaining the same. In that bus service is restricted to only students, faculty, and staff of the University of Illinois (U of I), possessing a photo I.D. That no passenger may be allowed to use the bus service who is not a member of the Overland Travel Club having a membership card, and a U of I photo I.D. and a prepurchased ticket.

Thank you for your cooperation with our staff during the investigation. If you have any further questions as to the investigation or your company's continued exemption, please call me at (217) 782-6448.

Sincerely,
